**SUBJECT:** ADDITIONAL COMMENTS FROM LESTER MCDOWELL

Attached are additional comments from Lester McDowell regarding the cookhouse. I am sending them to your attention because Pete is on the road and unreachable via fax.

I know that Craftsmen has the cookhouse at their facility today and may be able to make some of these changes immediately. I also understand that realistically, they will not be able to complete all of the requested changes today.

Please review the attached comments, let me know what your feelings are and, if the changes can't all be made today, please let me know when they will be complete.
